Dossier

Father

Who is you? Let me check your dossier
Oh, she cool, pass a Courvoisier
Why they still in my face watching every move I make
Nigga who are you to judge, Like I'm trynna beat a case [x2]

I need a beer I need a boo
Get my shit then we can school
Oh, we here I need a boo
Where the clear? I need a juice
Then these girlies getting loose
Bet you I can leave with two
Hit the roof them alley oop
But the bitch don't want no crew
It was you but they stick to me like glue
I can't really tell you why
Your bitch just might not like you
Always doing my fucking dance
Like nigga 'bout to fuse
Hoes in different hues with a hundred million views nigga

Why they still in my face watching every move I make
Nigga who are you to judge, Like I'm trynna beat a case [x2]

Now look at these randoms they coming up they trynna speak (yaaaa)
I am just where they was last week
Dossier man what that say 3 5 3 5 that's where they [?]
We do not care 'bout your campaign
We flip your click like night and day
Fuck what y'all say
I call the money bae
I'm chillin' on the moon and stars and running earthly things
My wrist is sick as shit it got a tummy ache
And he all up in my face
Hold up hold up hold up hold up

Who is you? Let me check your dossier
Oh, she cool, pass a [?]
Why they still in my face watching every move I make

Girl what's the mood tho
Can't put in on a solo
So I brought all my niggas with me
Got a mansion by the function
They say its invite only
But I got all my niggas with me
We don't look like we from 'round here
We smoking and they hating
But I got all my niggas with me

She told me to fall through but
I got all my niggas with me

Who is you? (hold up) Let me check your dossier
