Fuckin' up her contour, yeah I think she taste Honduran  
Her nigga stay on tour  
Got a couple kids, but that don't make her less alluring  
Call up the babysitter, girl let's slide  
A nigga tryna fuck, I ain't even gonna lie  
Got nina tucked, I don't need no guide  
Cause her niggas hella crazy & there's no where we can hide

Getting flown out this shit, get along with your bitch  
Made a song with your bitch, yeah it's a hit  
Playin' with her thong, sip Patron, boy we lit  
Playin' with her thong, 'bout to put a baby in it  
Phone on silent, I don't wanna talk to friends  
Quiet, pipe down, got a girl that I'm finna pipe down  
Like gimme, gimme, gimme, gimme  
Rippin' out this and I'm rippin' out remy  
Pourin' up Rémy with a little bit of Henny  
Girl watchu need cause a nigga got plenty  
Comin' down your chimney like ho, ho, ho  
And you know I got snow, baby girl, let's go  
Paypal boomin', baby girl, let's go  
Wherever you want, just let a nigga know, again

She said that she got over me  
But now I'm back up in her ovaries  
Oh it's lit, do that pussy like a nigga do theses opiates  
My stomach rotten but they crying  
"Papi come in here & get the party poppin', aye"  
Pourin' up potent, feelin' like the ocean  
Smoke mirrors, drinkin' potion  
I'm losin' focus, gotta stay in motion, so I'm rubbin' on the lotion  
Gotta stay in motion, so I'm VA Beach coastin'

Still doin' the fuckin' most man  
Cups filled, up still, touch, feel, fuck chillin'
