Niggas on the prowl, dicks out like some pornstars
Pull up at your momma's, shoot a porno in her front yard
Late night tip, hit your bitch in her nightgown

Make it look easy but it's harder than it look
Ridin' with them demons and them spooks and them crooks

Drink more water, water turn into ice
Feel like Baka, no, a nigga not nice

You was down bad, not a real bad guy
Cute ass smile and your boy be chilling
