

## On One

Father

Tatted up from head to toe  
Riding in a Range Rover  
What we got up in this bitch?  
I hope we don't get pulled over  
Laying in a Cali king, I used to sleep on sofas  
Life was a nightmare, I'd pray that shit was over

Lately it been better days, I been taking better ways  
I like splurgin on designer things so it's real hard to say  
I'm just being myself and for that they like to call me brave  
Where you at? I'm getting paid  
Smoking on the highest grade  
Dipping, dodging, peasant paparazzi on a daily basis  
I'm a Typhoon on these bitches that wanna ride my wave  
Take a lot of bullshit just to phase me  
You won't drive me crazy  
I'd take money way before the fame  
And oh my goodness gracious

Tatted up from head to toe  
Riding in that Range Rover  
What we got up in this bitch?  
I hope we don't get pulled over  
Laying in this Cali king, my shawty got this rolled up  
Shawty getting her throat fucked  
Everybody know us  
Yeah, yeah, bend that over, toe touch  
Smoking on that potent  
Damn that ass is [?]  
Okay, and pull up in that bih  
We on one, everybody on one  
Everybody want some

Damn this girl is giving me the creeps  
I'm glistening she watching me  
All the way from 'cross the room  
You know a nigga make her swoon  
God damn I been fam, ayo shawty henchfam  
Ice water in my veins, fell in love with this fang  
Kicked out, uh huh, shaking, shawty think I'm twerking  
Don't get it twisted nigga used to have that next [?]  
In love with access, my American Express  
I don't do this shit for the people  
I'm greedy and I'm deceitful

Tatted up from head to toe  
Riding in that Range Rover  
What we got up in this bitch?  
I hope we don't get pulled over  
Laying in this Cali king, my shawty got this rolled up  
Shawty getting her throat fucked  
Everybody know us  
Yeah, yeah, bend that over, toe touch  
Smoking on that potent  
Damn that ass is [?]  
Okay, and pull up in that bih  
We on one, everybody on one

Everybody want some
