

Party On Me

Father

Yeah
Yeah
Oooh, oooh
Yeah

So what's the deal girl
What you want
You said you will
But then you don't
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want
You said you will
But then you don't
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want
You said you will
But then you don't
You always calling
On me
You just wanna party
On me

All these hoes on me
Whoa is me
I'm a [?] on repeat
All I want is one thing
It's just thing that got me slipping
Falling in, I can't get up
Pop another pill
I ain't sick of nothing
Just need pick-me-up
Another girl hit my line up like "boy come pick me up"
Dick her down
Then drop her off at lost and found
When I'm not around do you even long for me
When I'm coming down you don't feel like you belong to me

So what's the deal girl
What you want
You said you will
But then you don't
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want
You said you will
But then you don't

You're always calling
On me
You just wanna party
On me
So what's the deal girl

What you trying to do
What's finna be
I got [?] over over on repeat
Now she down '85 tryin' get to you
And it's hella dope in my ride
But I'm play it cool
Shawdy just want to party
Missed [?]
Now we moving really slow, oh
What you want to do
Girl I know you long for me
I think you need to relax and hit this strain for me

So what's the deal girl
What you want
You said you will
But then you don't
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want (what you want)
You said you will (girl)
But then you don't
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want (what you want)
You said you will (say you will)
But then you don't (but then you don't)
You're always calling
On me
You just wanna party
On me
So what's the deal girl
What you want (what's the deal girl)
You said you will (what's the deal girl)
But then you don't (what's the deal girl)
You'll always calling (what's the deal girl)
On me (what's the deal girl)
You always wanna party (what's the deal girl)
On me (what you want)
So what's the deal girl
Like what you want
You say you will
But then you don't
You're always calling
On me
You just wanna party
On me
So, what's the deal, girl?
