

## Risotto

Father

I'm with a rag tag crew of niggas, ooh  
Black flags, know we 'bout to run a nigga jewels  
Black mask, 'bout to go berserk with the tool  
Air it out then rendezvous with ya boo  
Wear her out  
I need them big bucks  
I need a good tug  
I need them big drugs  
Ayy, where that cake at?  
Bitch, shake yo ass, damn  
I need them big bands  
Let's kick like kick stand  
Let's kick like kick stand

Somewhere off the South French coast eatin' risotto  
Surfin', silver surfer, king of the cosmos  
Rode in on a big black stallion pointin' a crossbow  
Give me my flowers, give a nigga coin, give it pronto (I need it pronto)  
What's good, bruv? (Yo, bruv)  
I'm in your hood bruv (Ayy, bruv)  
Ayy, where da food, bruv? (Yo, bruv)  
Hey, where da sluts, love? (Where the sluts, love?)  
I need a good tug  
I need them big bucks  
Ayy, where da cake at?  
I'm tryna face dat  
Bitch, shake yo ass, damn  
Like I'm the last man  
Like I'm the last nigga on earth  
And I'm yo last fan  
I need them big bands  
Let's kick like kick stand  
These niggas watchin', man  
Get off my dick, man

We can get to hookin' or I can go grab the .38  
My niggas get to juugin' and jukin' like this is EA  
Shawty booty juicy, it's juicy just like some V8  
I'm young, hot, and horny, lil' honey, I cannot behave
