Father

Fast and the furious  
Pack in a carry on (In a carry on)  
All of my jewelry on (My jewelry on)  
Girl all on my arm  
Hexes on my charms  
I been speaking in tongues (Speakin' in tongues)  
She been countin' these ones (Countin' these ones)  
Necklace summon the sun, yeah, yeah, yeah (Summon the sun)  
Thumb through my spell book  
'Vert appear with the roof dropped  
Chanel on her tube top  
I don't even think they make that  
Hexes, magic, lovespells  
Got me feelin' unwell  
I flip a bird and sacrifice it  
Next thing you know they drop the prices

Hellcat, yeah, demon  
Ride 'round my city with a bitch that's anemic  
Bad lil' bitch love to eat my semen  
Drop her off front door at Neiman's  
Drop her off front door at Sephora  
I hit the bar and a nigga go pour up  
Ten shots deep and a nigga not tore up  
I'm built tough, built tough, Ford Taurus  
I'm built tough, built tough, might smash out  
Drunk as fuck outside, her ass out  
Screamin', "I'ma do what I want" (Do what I want)  
I'ma do what I want  
I'ma let her do what she want (Do what she want)  
I pull up to the show I stunt  
Still tryna paint the walls with yo skin tone  
Still pull up to the spot with the tint gone

Black magic, 'bout that action  
Niggas hatin', boy, all my niggas pagan  
On the road, need the throat, need the faces, flewed her out to Copenhagen  
Delectable edible, collectibles, boy, I got all the spices  
Incredible, credible, medical, boy, I got all the vices  
Next thing you know they drop the price  
She roll the blunt, I roll the dice  
I drive the boat, I float like Pisces  
Dick in her throat, bih choke like Sprite

Take her island remote, it's private  
We all alone it's way too quiet  
I don't know why I'm in love with chaos  
Gettin' through it, got a way bigger pay off
