

# Throw It

Father

Ass fat, throw it deep  
Hair swinging, maybelline  
Lil fuck with me, she's a fiend

Ass fat, throw it deep  
Hair swinging, maybelline  
Lil funk with me and she  
Niggas get to the back

Throw it back  
So damn muddy, my damn Sprite  
So damn extra, Corona extra she so stressful  
Put goo in her omelette  
Keep on ridin' though I'm poppin'

They try to lock me  
But I just keep on changing topics  
Booked a show  
Pulled up, took you home  
Smooth sassy thot  
Hood though  
On my hood top like she Mad Max  
Shawty tweaking, must be bad batch  
Fucked up, Paypal  
Fucking up her Cash App

She like "Ayo Papi, is my ass fat?"  
I'm like "Hell yeah, girl"  
I still bought her more ass

She like "Daddy, I wanna get more black"  
Took her to the Carribean  
And got that bitch more black

Ass fat, throw it deep  
Hair swinging, maybelline  
Lil fuck with me, she's a fiend

Ass fat, do it dash  
Good gas, come back  
Niggas get to the back

Throw it right, yeah yeah  
Throw it back, yeah yeah

Shawty, pipe down  
I don't bite now  
I'm off that wide brow, girl you my wife now  
I know my life wild  
You smell like black and mild  
Good girl, I'm worth a mill  
I'm tryna get you a child

She like "Ayo Papi, is my ass fat?"  
I'm like "Hell yeah, girl"  
I still bought her more ass

She like "Daddy, I wanna get more black"  
Took her to the Carribean  
And got that bitch more black

Ass fat, throw it deep  
Hair swinging, maybelline  
Lil fuck with me, she's a fiend

Ass fat, do it dash  
Good gas, come back  
Niggas get to the back  
Know a nigga, knew where he sat
