Vodka me down, hawk a man down
Fuck with a round and brown lil bitch
She love the sound, astounded with it (Rawr)
Coming out her gown, I get the hint
She wanna get crowned, come up off the bench
I'm trynna pull up and get drowned in it
Come fuck with the pound, she spellbound
He hell bound, everybody bound
Can't get loose, can't get out
Every bitch mouth on a nigga mouth
Trynna go south, trynna go down

Down, down, down, down
Down, down, down, down
