

Voodoo Men

Father

(Forgive me, Father)

Yo my neighbors watchin me like Hulu, dem
Know a nigga takin off like Sulu, dem
Saw me pull up with a Mulan and a new Lil Kim
And you know we got em movin like we Voodoo Men

Boy you know my neighbors watchin, they bout nosy as hell
College niggas be too hot, I be avoiding the sales
Black hoodie, black Nikes, open faced gold tooth
Folks requested my arrest but can't connect no proof
Ho, re-direct your attention, can't help but think its racism
Gon' paint me up as a criminal, Mama raised her a nigga
White neighborhoods I can't fit in, tryina out me for good
I hit the bricks now watch me take my talents out to the hood
Bitch

404, I'm rotten to the core
Father is the Anti Christ mother should have abort
Yeah
Oh my, amore
Saw the signs could not ignore
We was gettin it on the floor, saw the claw marks in the door
