

I Like Not Knowing

Fatherson

I throw myself under a bridge
Trying to get some time on my own
I need some
But I have to solve this
I can't lose all of my marbles
Before the big game
I showed out by any other name

'Cause I don't where we are going
Could hazard a guess
But I like not knowing

I know you're under the water
I can hear you breathing

Notice me
I want you to notice now
I know I'm feeling this
Oh yes I'm feeling this
Just do anything you want
To know that I will stay

But I don't own all the thoughts in your head
And if I did, I'd leave them for you to think instead
But I don't know where we are going
Could hazard a guess
But I like not knowing

I know you're under the water
I can hear you breathing

Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no
Oh no, oh no, oh no

I know you're under the water
I can hear you breathing

I know you're under the water
I can hear you breathing
