I Want You to Know

Fats Domino

```
I want you to know
I love her so well
And I love her so much
I can never never tell
Oh boy yea yea yea oh boy whoa
I love to love her in the mornin'
Love her till the dawnin'
Don't you know whoa
Don't you know I love her so
And I never never ever let her go
Oh boy yea yea yea oh boy whoa
I love to love her in the mornin'
Love her till the dawnin'
Don't you know whoa

Can't you see what she do to me
She keep my poor heart in misery
Whoa boy yea yea yea oh boy whoa
I love to love her in the mornin'
Love her till the dawnin'
Don't you know
```
