

# West Wind

Fats Waller

(spoken)  
Hi there!  
Here comes the west wind  
Yeah  
West wind  
Climbing over land and sea  
Oooooo-oooooo  
Find my wandering one for me  
West wind  
Whisper to her tenderly  
Oooooo-oooooo  
Of the love that used to me  
She has gone to find adventure  
Restless feet must roam  
Tell her love's the best adventure  
And she'll find love waiting at home  
So, west wind  
Go wherever she may be  
Oooooo-oooooo  
Send my loved one back to me  
(spoken)  
Yeah  
??????  
??????  
What is this, Man  
Oh, yeah, that's right  
This is the west wind  
Uh-hum  
Yeah  
Go, west wind  
Go wherever she may be  
Oooooo-oooooo - uh,uh,uh,uh  
Send my loved one back to me  
(Whistle, whistle)  
That's the west wind
