

cracked sidewalks

fats'e

(Ahh-ah, Ahh-ah)

(Ahh-ah, Ahh-ah)

Wa-wa-walkin' down the hallway, see you crying in the bathroom
I was thinking too much, I been drinkin' in the classroom
Every weekend we'd meet up at that house
Make bad decisions, fall asleep on the ground

Do you remember those foggy nights?
We were passed out together outside
This euphoria, came over me
I wish you the happiest time

You don't have to talk so much
Trust me, I've seen enough
You know that I get it but
I still want it all to stop
Stop talking 'bout the cracked sidewalks
Just tryna make myself less numb
Do you thing I'm fucking up?
Just tryna change all this bad luck

Do you remember those foggy nights
We were passed out together outside
This euphoria, came over me
I wish you the happiest time
Do you remember those foggy nights
We were passed out together outside
This euphoria, came over me
I wish you the happiest time
