fats'e

I don't have a reason not to rinse my hands  
Wash this blood and these tears away  
Leave this place as you call my name  
I shouldn't look back  
I don't have a reason not to rinse my hands  
Wash this blood and these tears away  
Leave this place as you call my name  
Shouldn't look back

And tonight she looked back, with your eyes on my back  
They're piercing my skin and its hurting me  
And I don't know whatchu' want me to do, and I don't know whatc  
hu' want me to say  
I'm leaving and I think I'll be okay

I don't know if I can do this anymore  
Blood on my shirt, blades on the floor  
Stuck in my head all I think is of you  
Toss in my bed does he even love you  
And I know timing is everything and I want you, and I let go  
If I could just find a way to forget you

I don't have a reason not to rinse my hands  
Wash this blood and these tears away  
Leave this place as you call my name  
I shouldn't look back  
I don't have a reason not to rinse my hands  
Wash this blood and these tears away  
Leave this place as you call my name  
Shouldn't look back
