

## KEEP UR DISTANCE

fats'e

Had no fear, now I do  
Saw it right in front of me  
The lies like knives  
They cut right through  
They slice my skin  
And my arteries

The lies like knives  
They cut right through  
They slice my skin  
And my arteries

You just don't get it  
Leave you in the dark  
Keep your distance  
I swear-  
You just don't get it  
Don't need to reply
