

last summer

fats'e

Do I care too much
Do I ignore you enough
I don't have to know what you did last summer, I'm alright
Do I really miss too much
Am I stuck in a loop enough
I don't have to know what I did last summer, I'm fine

The past seems to haunt me lately
I've been staring at the walls, spending too much time a-

The past seems to haunt me lately
I've been staring at the walls, spending too much time alone
The past seems to haunt me lately
I've been staying up all night, hoping you'll text me when you're gone

Am I out of touch
Have I lost my guns
I don't have to know what you did last summer, I'm alright
I know you lied to me
Do you know I lied to you too
I don't have to know what I did last summer, I'm fine

The past seems to haunt me lately
I've been staring at the walls, spending too much time alone
The past seems to haunt me lately
I've been staying up all night, hoping you'll text me when you're gone

The past seems to haunt me lately
I've been staring at the walls, spending too much time alone
The past seems to haunt me lately
I've been staring at the walls, spending too much time alone
