My bad (My bad)  
Didn't mean to cause a wreck (A wreck)  
If I'm the car, you are the fence  
Laying dormant in a cog  
(Three, two, one)  
My bad (My bad)  
Almost had a heart attack (Attack)  
Hydroplane on railroad tracks  
Laying dormant in a cog

I turned my back (I turned my back...)  
I turned my back on everyone except for you (Except for you)  
I turned my back (I turned my back...)  
I turned my back on everyone except for you

I lost my cool  
I lost my cool  
And maybe so did you  
I lost you too  
I was right and you were wrong, you know it's true  
I just wanna be seen  
I know you do too  
It will cost  
We will have to banish ego from the room
