

sick

fats'e

I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just need to get, I need to dip
These four walls making me a little ticked
I just pulled, I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just need to get, I need to dip
These four walls making me a little ticked

I'm lost
Without your touch
Its been a year
Is that too much
I'm lost
Without your touch
Its been a year
Is that too much

I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just need to get, I need to dip
These four walls making me a little ticked
I just pulled, I just pulled up, feel like shit
Got bloodshot eyes, I feel sick
I just need to get, I need to dip
These four walls making me a little ticked
