I thought it was different  
Thinking back I was good for a minute  
You were terrible, I'm unbearable  
Can't forget but I guess I gotta let you go

I thought it was different  
Thinking back I was good for a minute  
You were terrible, I'm unbearable  
Can't forget but I guess I gotta let you go

It's embarrassing I let you break me  
You treated me terrible  
I was giving you everything I had left  
But it's all that I've come to expect  
I'm out of memories, you left me in debt

You left me in debt and now I'm  
Trying to pick myself back up  
I know you're not one to talk shit  
So I'll try to bottle it up  
I don't know where we went wrong  
And I don't know what to say  
I don't feel inspiration  
So I'll just rot away

I thought it was different  
Thinking back I was good for a minute  
You were terrible, I'm unbearable  
Can't forget but I guess I gotta let you go

I thought it was different  
Thinking back I was good for a minute  
You were terrible, I'm unbearable  
Can't forget but I guess I gotta let you go

I thought it was different  
Thinking back I was good for a minute  
You were terrible, I'm unbearable  
Can't forget but I guess I gotta let you go
