Somebody put the juke joint on, listen to the words of the song, let me prove what i say is true, that i'm really really feelin you

hey, hey, hey shorty why u here standing alone? do you need a little company?  
? can i help u find your way home

do you wanna talk to me? i don't need no lines boy. what you got to say to me  
e i'm sure i heard of many times before

you got that sparkle in your eyes that a guy just can't miss, or your cinnamon tone, girl, i can't resist

i hear you, baby, listen to this: you got to win all my affection, if you want to sample my kiss

Somebody put the juke joint on, listen to the words of the song, let me prove what i say is true, that i'm really really feelin you

i'm sure you do, want to get to know me better

i want to hold you all night long

you can play whatever

somebody put the juke joint on (somebody put the juke joint on)  
somebody put the juke joint on (somebody put the juke joint on)

suddenly i find myself slowly falling. something about you makes me wanna give your love a try

come and hang with me, girl

maybe i could stay for a while

closer baby dance with me, wanna feel u next to me i,

put a quarter in the jukebox, the music not the issues, she really digging your style that official, and i've been tryna tell you, man, she want your attention, but ain't tryna hear me now, now she playing hard to get, your ex-girl friend still be calling your phone, tell me what's it gonna take for her

to realize this, this is love at first sight, kid, open eyes remember one thing in life true love won't lie

Somebody put the juke joint on,  
i wanna hear the words to my song

let me prove what i say is true, that i'm really really feelin you

i'm sure u do wanna get to know you better

i wanna hold u all night long

baby u can play whatever

somebody put the juke joint on (somebody put the juke joint on)

cosa loca, con sabor. vamo arriba bilador. siente el aire esta caliente. es  
el juego del amor, de caricias y pasion; este fuego esta ardiente.  
sienta la musica!

Somebody put the juke joint on, listen to the words of the song, let me prove  
what i say is true, that i'm really really feelin you

i'm sure u do wanna get to know you better

i wanna hold u all night long

baby we can play whatever
