

Lust

Fatty Koo

When i look into your eyes

something about the way you llok at me, keeps me wonderin, coul
d this be my destiny, maybe take a chance
at love again, claim you as my man, and spend eternity, wit you
as my king, sharing every dream,with love
and everything, hold onto me, don't ever leave me, no, keep me
in your arms, don't let go

they say, when you find love, then hold and treasure it, don't
let it slip away, could this be love,
cause it feels right but i'm afraid it might, just be lust

could this be lust or love that i feel for ya, cuz if it's not
love tell you now wat's up, i don't wanna
lead you on but it's too late, my intentions were to love you l
et's conversate, on the real i feel lust
got the best of me, and i ain't mean to break ya heart, girl, s
eriously, i'm not sure if this love but
i'll stop frortin, it was a one night stand now we feelin sutt
n, and if love take ova it'll be alright,
it'll open up our eyes and give us insight, i wasn't planin to
raise no family wit chu, but understand
this is real i just met chu, plus we just left the club and u t
ipsy, you wanna come to my hotel and freak
me, when you look into my eyes tell me wat chu see, you see a p
laya from the love and you want me

there's a old sayin, if you can't get the one you love, love th
e one you're with, but i'm not positive
that this will be one hundred percent.
i thought that you loved me, you made my heart believe.
i believed it, too, but you expect more than i can do.
but wat about the plans we made, why you gotta be this way??
i'm not sayin i'm not in love wit chu, but i'm not ready to com
mit so soon.
but it wasn't too soon, to take wat you need.
don't drown in fantasies, cheak reality, i gotta be a man for m
e.
