

Daylight

Faul & Wad

Take me
Heaven
Green light
Daylight

Oh pull me deep in your ocean
Drown me in your touch
Let me show you devotion
Let me live you up
I just wanna show you
The dance of my love
Pull me into your ocean
Drown me in your love

Take me
Heaven
Green light
Daylight

Don't underestimate my love
Cause I can turn your darkness into light
If you just believed in what we've got
Then you would feel this paradise
This paradise

Take me
Heaven
Green light
Daylight

Then you would feel this paradise
This paradise

Take me
Heaven
Green light
Daylight

This paradise

Take me
Heaven
Green light
Daylight
