

# Something New

Faul & Wad

What is the purpose of tonight my baby  
It's my fortune domain act  
I need to feel where you're my baby  
Are you ready to create

Something new

I don't want it to be a sign  
let me take you away

Can't you see the light  
I guess we found our way  
I love to see your smile  
All your faces stark again

Can't you see the light  
I guess we found our way  
I love to see your smile  
All your faces stark again

I don't want it to be all the same

What is the purpose of tonight my baby

I need to feel where you're my baby  
Are you ready to create

Something new

I don't want it to be a sign  
let me take you away

Can't you see the light  
(Can't you see the light)  
I guess we found our way  
(I guess we found our way)  
I love to see your smile

All your faces stark again
