Faun Fables

Spellbound  
To her  
Barren  
Prison  
For too long.

Frozen  
Terror  
Melting  
Simply  
From your smile.

You're the  
Hela  
Waiting  
In the  
Underworld

There's a  
Hela  
Waiting  
In the  
Underworld

Hi there, my dangerous doom.  
So you won't sit still.  
I can see  
You laugh at me  
As I sing to you  
You're giving me  
Tempo and key,  
Let me find  
A melody.  
Do you mind?  
Just bones and skin  
It's all I've got  
To dance this in.  
A dance...

But when will you spin me around and laugh up in the skies?  
When night knows of all our sins  
Blackness arise!

There's a  
Hela  
Waiting  
In the  
Underworld
