

Transit Theme

Faun Fables

I am a transit rider
Goings and comings at all hours
In the light and in the dark
Wait for my trains
but I don't have to park

I am a transit rider
Goings and comings - they're all the same
It's all on a map on the wall
Try to find my way

The tokens are a dollar twentyfive

I am a transit rider
Open to public by ??
Try as I might to find another way
I can't afford (?)

The tokens are a dollar twentyfive

I am a transit rider

One twentyfive
