

## Awake

Faust

Awake! Awake!  
Nocturnal howls  
I raise my sword  
Awake! Awake!  
Hear me now  
All come forth  
I shall not withdraw  
Roaming the paths  
I'm daring my young soul  
To fight for the sake of  
The long forgotten laws

Awake! Awake!  
I invoke thee!  
Day and night  
Unseparable  
Good and evil  
Indiscernible  
Awake! Awake!  
Hear me now  
All come forth  
I shall not withdraw  
Roaming the paths

Spitting out terribly vows  
I'm unleashing mesmeric spells  
Ciphered in the ancient runes
