

Complicated

Fave

Should I confiscate your cellphone
Are you done with typing
I don't appreciate comments
Where you talk about me
Said it's complicated honey
I can't phoking shout it
A-little drummer girl
Beating my drum for you
Pum pum pum pum

I don't want a piece of you
I want it all
I want it all
Can't have just a piece of you
It breaks my heart
It breaks my heart
First off
So it ain't enough
So when they ask me
What's my status
I think for about 5 minutes
And I say it's complicated

It's because of you
It's because of you
It's complicated why
It's because of you
It's because of you

I no go for lie for you I swear
This love for you I get 32
A complete set of tooth
See as you dey dull on me
This thing thing thing
Though that we have must go on
I don't want a piece of you

I don't want a piece of you
I want it all
I want it all
Can't have just a piece of you
It breaks my heart
It breaks my heart
First off
So it ain't enough
So when they ask me
What's my status
I think for about 5 minutes
And I say it's complicated

It's because of you
It's because of you
It's complicated why
It's because of you
It's because of you
