

# In Love

Fave

What if e be you  
Wey I fit die for  
E be you  
Wey make I form dialogue  
E be you  
I thought I was shy but  
Since I fell in love  
I dey talk die now

E be you  
Wey I fit die for  
E be you  
Wey make I ask my God  
Hmm  
How  
Why  
Did I wait so long

Since I fell in love  
Since I fell in love  
You don sweep me off my feet  
You don barb my moro  
You don burst my bololo

Since I fell in love  
Since I fell in love  
You don sweep me off my feet  
You don barb my moro  
You don burst my bololo

Since I fell in love  
Since I fell in love  
You don sweep me off my feet  
You don barb my moro  
You don burst my

Na you be reason I dey mellow down  
I left the street it's time to settle down  
I no go make you squeeze your face, I no go make you frown  
Girly, really na you be the one wey go wear the crown

Whenever she need it yes I'm willing  
With a tender touch and a spiritual healing  
Give her booty rubbs omo that one still dey  
I dey show my feelings omo no concealing

Whenever she need it yes I'm willing

Give her booty rubbs omo that one still dey

You be my melody na you be my life  
Without you in my memory I no fit survive  
Even when your enemies dey try to connive  
Against you I'll catch a felony if love is a crime  
Hard guy hard guy but see as I dey lose weight  
Cause I never talk to my shimar for two days  
Bad guy sharp guy see as I dey do face  
Odo e be you dey make my mood change
