

If I say I don't like it
I'm lying, I do
Cos, you treat me like we're lovers in 1992
If I say I don't like it
I'm lying, I do
Cos you still buy me flowers
I know that you are old skool

Like juju uuu
I don dey mumu
Cos you no calling me
You no texting me
I know there's a reason
Like juju uuu
I don dey mumu
Cos you no calling me
You no texting me
I know there's a reason
I know there's a reason
I know there's a

We could be fighting
But I want you here
There is no music if you are not here
Through the magic, through the weary years
Life is nothing if I don't keep you
So I smile
Knowing that I'd die for you
And when the road is hard
You know that I'll ride for you
Say say say
When the rain is bad
I'm gonna shut the skies for you
And when the road gets hard
You know that I'll ride for you
Know that I'll ride for you

Like juju uuu
I don dey mumu
Cos you no calling me
You no texting me
I know there's a reason

You no calling me
My baby
You no calling me
I know there's a reason
I know there's a reason
Like juju
You no calling me
I know there's a reason
