

Obsessed

Fave

You leave, I want to follow you there
You miss a call, my heart e go tear
Me and you
We are
Deeply connected oh oh oh
You say a thing, I hear it different
You get a friend, my heart e don tear
Me and you
We are
Deeply connected oh oh

I'm obsessed
I confess
These things in my head go spinning round
These things in my head go spinning round
Go spinning round
Yeah yeah yeah
I'm obsessed
I confess
These things in my head go spinning round
These things in my head go spinning round
Go spinning round

(Ladies and fu... gentlemen)
(What)

Dede dibidi dede
My heart e dey fear fear
Tell me our love no be play play
Play play
Gongon dibidi gongon
Am I in the long run
Darling, I worry every then and now
Ah ah ah ah ah ah

I'm obsessed
I confess
These things in my head go spinning round
These things in my head go spinning round
Go spinning round
Yeah yeah yeah
I'm obsessed
I confess
These things in my head go spinning round
These things in my head go spinning round
Go spinning round

You leave, I want to follow you there, you there
You miss a call, my heart e go tear, e go tear
You say a thing, I hear it different, different
Me and you
We are
Deeply connected

I'm obsessed
I confess
These things in my head go spinning round

These things in my head go spinning round
Go spinning round
Yeah yeah yeah
I'm obsessed
I confess
These things in my head go spinning round
These things in my head go spinning round
Go spinning round
