

# Shut It Down

Fave

Don't be cruising my lane  
Don't step to my face if you don't like me for real  
Girl, don't be fake  
Don't apologize  
I let you breathe the air around me  
So you can spread it  
spread it  
spread it

Lesson of the day  
Don't trust DJs  
'Cause all they do is play me  
I'll light it up  
Set the booth on fire  
Jail time for me, vandalizing

I'm sorry if I may  
I'm sorry if I may  
Be a little too much at times  
I'm sorry if I may  
I'm sorry if I may  
Move a little serpentine

But I don't give a duck  
Imma still turn it up  
Don't want your Qs  
Don't want your Ps  
That's my formula

Yeah, I don't give a duck  
I got nothing but love  
But you want me to be like you  
Ba-baby shut it down

I wake up late, by half past 12  
The morning people might get upset  
I don't have words, what's happening  
Maybe you need me in your dreams  
(In your dreams)

I don't think it's necessary  
To be back-and-forthing you  
I've had my share of all of that  
In the last relationship I had

Serenading life so we live longer  
Sorry if I don't know your name

I'm sorry if I may  
I'm sorry if I may  
Be a little too much at times  
I'm sorry if I may  
I'm sorry if I may  
Move a little serpentine

But I don't give a duck  
Imma still turn it up

Don't want your Qs  
Don't want your Ps  
That's my formula

Yeah, I don't give a duck  
I got nothing but love  
But you want me to be like you  
Ba-baby shut it down
