

(Tell me how you really feel)

You see me now
I want something
Cuz the vision is clear
You see me now
I'm fighting sleep
Cuz you're not right here

Tell me are you waiting
For writings on the wall
Before you believe me
Tell me are you waiting for mountains to fall
Before you believe me
Tell me are you waiting for me to write you a beautiful song
I'll write you a beautiful song
I'll write you a beautiful song

Shô ma korin mi my baby
Mo ma korin fun eh o
Shey you go sing my baby

Shô ma korin mi my baby
Mo ma korin fun eh o
Ma korin for my baby

Ah ah ah
I tell you you're my numero-uno you know
You got fingers in my bone
You're the fire in my stove
I'm giving you my soul
I'm giving you my spirit
And I don't want anyone to know what I know
That you're the best in the world
That you're the best in the world

Tell me are you waiting
For writings on the wall
Before you believe me
(Before you believe me)
Tell me are you waiting for mountains to fall
Before you believe me
(Oh Before you believe me)
Tell me are you waiting for me to write you a beautiful song
I'll write you a beautiful song
I'll write you a beautiful song

Shô ma korin mi my baby
Mo ma korin fun eh o
Shey you go sing my baby
Shô ma korin mi my baby
Mo ma korin fun eh o
Ma korin for my baby
