Hello light we know it's been a long time
Tell us how we've been
Tell us all about walking a thin line
And how we won't give in
Tell us all about life
And how in the end we always win

We've only come so far
We'll sing them all again tomorrow
Cause this is how we are
But just for now we get a holiday in the sun
We'll sing a song for everyone

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

It's a hit, it's a hit
The colours will fade and then we'll quit
But for now it's fine and it's summer all the time
For the good life

Hello light we know it's been a while but in the end It's getting better all the time

It's a hit, it's a hit
It's a good old fashion hit
We'll spend hours blind
We'll be dreaming all the time

Sugar honey baby

It's a hit, it's a hit
The colours will fade and then we'll quit
But for now it's fine and it's summer all the time

It's a hit, it's a hit
It's a classic we can quit for the good life
