It's you, and me, don't you forget ohoh
Don't hide, your smile, it suits you well ohoh
Your love, my life, it's all for us
And just know, I'm here for you no matter what

Hey yo hey yo, hold all night
I don't wanna see you cry
Seen your halo halo hazel eyes
You're broken inside
And I know that it's gonna take some time
To forget all the pain
Of all the no good people in your life
Baby I'm not the same
