Faydee

(Bahebek) Lovin' you so easy, every night I'm fakir fiki  
(Bahebek) Stay right behind me, don't be scared, now kidhi iydi

Can I see you one more time? Oh, I, oh, I  
The way your body makes me feel on top of mine  
When the sun touches your face I get on my, on my  
The more I get a taste, the more I say...

(Bahebek) Lovin' you so easy, every night I'm fakir fiki  
(Bahebek) Stay right behind me, don't be scared, now kidhi iydi  
Oh, my, oh, my, hey, baby I can't get you out of my head  
(Bahebek) Lovin' you so easy, every night I'm fakir fiki

Soon as you see my text you reply, oh, I, oh, I  
Don't think about your ex, you're all mine, all mine  
He like it when I'm persuasive  
He hold me down, I can't take it  
She said she got me so faded  
You better come right now!

(Bahebek) Lovin' you so easy, every night I'm fakir fiki  
(Bahebek) Stay right behind me, don't be scared, now kidhi iydi  
Oh, my, oh, my, hey, baby I can't get you out of my head  
(Bahebek) Lovin' you so easy, every night I'm fakir fiki

Touch me, please me  
You can have your way with me  
Keep you coming back for more  
Like the way you tease me up

(Bahebek) Lovin' you so easy, every night I'm fakir fiki  
(Bahebek) Stay right behind me, don't be scared, now kidhi iydi  
Oh, my, oh, my, hey, baby I can't get you out of my head  
(Bahebek) Lovin' you so easy, every night I'm fakir fiki
