

# Cover's Blown

Faydee

{Don't tell me I'm not good enough}

Times like this  
I wish I've never existed  
Nobody wants to listen  
I'm screaming out for help  
Times like this:  
I wish that I could let go  
And open up a window  
Free to be my self

[Bridge]  
Then there's you  
Standing over me  
Tryna make a fool of me  
Tryna get the best of me (Ohhh)  
Then there's you  
Tryna shut me out  
Tryna kick me when I'm down  
That ain't gonna stop me now (Nooo)

[Hook]  
How does it feel ? to know that I don't care at all  
Your words don't mean a thing at all  
I choose to rise, you choose to fall  
How does it feel ? to know that I am capable of more than you will ever know  
!

[Chorus]  
Don't tell me I'm not good enough (ohhho)  
Don't you bring me down (Ohhho)  
I'm moving on (Ohhho)  
And you're over now (Ohhho)  
You gave me fire (Ohhho)  
Every time you came around (Ohhho)  
My feet are steady on the ground (Ohhho)  
You won't knock me down, No more (No moooore x4)  
Now I'm unbreakable (No moooooore x4) Now I'm unbreakable

Times like this:  
I'm picking up the pieces  
I'm making up the reasons  
Not to tell a soul  
Times like this:  
I'd rather speak to no one  
I just wanna move on  
And stand up on my own

[Bridge]

[Rap]

I remember getting teased as a kid  
Cause at the place that we lived  
We never had it easy, believe me  
But that dont excuse the things that we did  
Couldn't accept that I was never accepted  
Had so many tears like I fell in depression  
But if I changed I wouldn't get caught nays  
But it was all the same, I was feeling rejected  
Putting someone down is a low blow  
Was goes around comes around like a yoyo  
Wish that I could stop time like a photo  
But we stand strong, bounce back like a pogo

[Chorus]

Don't tell me I'm not good enough (ohhho)  
Don't you bring me down (Ohhho)  
I'm moving on (Ohhho)  
And you're over now (Ohhho)  
You gave me fire (Ohhho)  
Every time you came around (Ohhho)  
My feet are steady on the ground (Ohhho)  
You won't knock me down, No more (No moooore x4)  
Now I'm unbreakable (No moooore x4) Now I'm unbreakable
