

# Drunk

Faydee

Drunk  
of your love  
i get drunk  
of your love (2x)  
i get drunk

from the start  
i got my eyes locked on you  
and i swear that you're the  
baddest chick i've ever seen (4x)

come closer  
come closer to me  
don't take no ?  
you got me down on my knees  
and you know it (4x)

(Chorus)  
she puts me in the zone  
the girl she's got me tripping  
i'm making for her love  
and i take a little sipping  
i get drunk (2x)  
of your love (4x)  
i get drunk (2x)

my head is spinning circles  
now that i found you  
i aint letting you go

baddest chick i've ever seen (4x)

she puts me in the zone  
the girl she's got me tripping  
i'm making for her love  
and i take a little sipping

i get drunk (2x)  
of your love (4x)  
i get drunk (2x)

baddest chick i've ever seen (8x)

(2x)  
she puts me in the zone  
the girl she's got me tripping  
i'm making for her love  
and i take a little sipping  
i get drunk (2x)  
of your love (4x)  
i get drunk (2x)
