Enchanté
Dime tu nombre
Tienes una novia alguien que te conoce?
Me parece que
Eres tan suave
Ven aquí pa probar mi chocolate

Shut the front door
Come again boy
I just wanna know
Why don't you kiss me?
Time to get in bed
Baby you can lay
On your back 'cause we got
'Cause we got, 'cause we got

The rhythm inside, call me mi amor
We got it all baby la la la la
Eres mi luna y estoy completo
Ouh, hay problema

Dame un poco de time, from time to time
Sure that can make you mine mine mine mi-mi-mi-mine
We got it all baby la la la la
Oh, you like that
Oh, you like that

Yeah, you like that
Oh, you like that

Viens danser
Como te parece?
Un chico que quita
Todo lo que tienes
Porque sabe que
Soy capable
Darte lo que tanto necesita

Shut the front door
Come again boy
I just wanna know
Why don't you kiss me?
Time to get in bed
Baby you can lay
On your back 'cause we got
'Cause we got, 'cause we got

The rhythm inside, call me mi amor
We got it all baby la la la la
Eres mi luna y estoy completo
Ouh hay, problema

Sure that can make you mine mine mine mi-mi-mi-mine
We got it all baby la la la la

Come and get it
Come and get it babe
'Cause baby I can't wait no more

Come and get it
