

# Hala

Faydee

Yeah yeah  
She said, she said she want a soldier  
I said I'll hold you down  
Loyalty is what you want, yeah  
That's what I'm all about  
So, she turned around and said  
Hala hala ya habibi  
Come right over here  
Ta3ala hena ya nasibi  
You know I like to chase ya  
I know you like it, too  
I can see it in your face  
Mixed in with that attitude  
Then she turned around and said  
Hala hala ya habibi  
Come right over here  
Ta3ala hena ya nasibi

Your love  
Your love, your love  
Your love  
Your love, your love  
Your love  
Your love, your love  
Hala hala ya habibi  
Hala hala

Hala hala  
She said, she said she want a soldier  
I said I'll hold you down  
Loyalty is what you want, yeah  
That's what I'm all about  
So, she turned around and said  
Hala hala ya habibi  
Come right over here  
Ta3ala hena ya nasibi  
You know I like to chase ya

Hala hala ya habibi  
Come right over here  
Ta3ala hena ya nasibi

Your love  
Your love, your love  
Your love  
Your love, your love  
Your love  
Your love, your love  
Hala hala ya habibi  
Hala hala
