Oh Baby  
Oh Baby, oh Baby, oh oh  
No no no no Double E C Y

How did you get in my head  
24 hours hours  
Must've been something you said  
Show me your super powers  
And I can't hide or pretend  
We can be more than just friends  
It ain't gotta always make sence  
Close your eyes and don't be scared

Jamila Jamila  
Let me give your heart a break  
Jamila Jamila  
Something's taking over me  
Don't know how it got this way  
How you're all up in my brain oh oh

Jamila  
Da da da da da  
Oh na na na na, oh na na na na  
OH Jamila  
Oh na na na na  
Oh na na na na, oh na na na na

Oh Jamila  
I know you've been burned quite a lot  
So I don't, blame you, blame you  
You deserve more than you got  
And you don't need  
Someone to change you  
If I feel real don't pretend  
We can be more than just friends  
It ain't gotta always make sense  
Close your eyes and don't be scared

Jamila Jamila  
Let me give your heart a break  
Jamila Jamila  
Something's taking over me  
Don't know how it got this way  
How you're all up in my brain oh oh
