Lost In These Streets

Faydee

Why do I feel somethings going on?
Why are you not picking up your phone?
Call me back and tell me nothing's wrong
You better let me know
You better let me know
Ahh
I can't imagine
Something so tragic
My mind can't stand it
My heart can't take it

Tell me I'm the only one
And you would never do me wrong
2am and my mind is on the run now
Overthinking got me thinking bout the worse now

Nah nah nah
I'm so lost
Nah nah nah
I'm so lost
Nah nah nah
Overthinking got me thinking bout the worse now
Nah nah nah
I'm so lost
Nah nah nah
I'm so lost
Nah nah nah
Overthinking got me thinking bout the worse now

Why's my head so messy?
Heart so cold think I need a coat to dress it
Can't understand why my mind so petty
I can be your worst nightmare don't test me

I can't imagine
Something so tragic
My mind can't stand it
My heart can't take it

Tell me I'm the only one
And you would never do me wrong
2am and my mind is on the run now
Overthinking got me thinking bout the worse now

Nah nah nah
I'm so lost
Nah nah nah
I'm so lost
Nah nah nah
Overthinking got me thinking bout the worse now
Nah nah nah
I'm so lost
Nah nah nah
I'm so lost
Nah nah nah
Overthinking got me thinking bout the worse now
