Ma bebe, habibi, amore mio, meu coração
You make my body move, my body love, love la-la-loud

You're on my mi-i-ind
Been feeling kinda crazy lately
Don't wanna fi-i-ight it
I'm going with the flow it'll take me
Show what you feeling and I want no other
Boy you make me hotter than Nevada
This is how I only show 'em I love him
