You got me up

You got me down

Every little thing got me comin around aye

From the way that you're talkin to me

Lookin at me like 'whatchu waitin for'

You got that thing that makes me come back for more

You see now

This is it yeah

Come here baby

Don't be shy now

Yala baby

Somethin about ya

Got me crazy

No more waitin

Yala baby

Higher and higher

I'm never like this

I hope you're ready

Get ready ya

Cause I'm goin in

Hey baby

I dunno what to tell ya

Yes I'm shy, ok

But I know I gotta see ya

And it's safe to say

Eres Muy Bo-Bonita

I just wanna be with ya

What's your name señorita

To Barcelona
Around the world
Hoping to find ya
Now that I got you here won't let you go
