Faydee

When I see your face I feel some type of way
I can't help it, I can't help it
Every time you come around we celebrate
We can't help it, we can't help it
Oh yeah

Bailando contigo te quiero
I want you more
Que cuando bebero te quiero
I want you more

I want you more
The more, more
I touch you, I kiss you, I love you
I want you more

I want you more

I want you more

I know you know me more than I know myself
And you're honest (yes, you're honest)
Eh-eh, and if only you know I don't need nobody else
And that's a promise (that's a promise)
Oh yeah

Bailando contigo te quiero
I want you more
Que cuando bebero te quiero
I want you more

I want you more
The more, more
I touch you, I kiss you, I love you
I want you more

I want you more

I want you more

When you call my name
And I see your face
Why? I love it
Why? I love it
Eh, here's to better days
Now we celebrate
Why? I love it
Why? I love it
Eh

I touch you, I kiss you, I love you
I want you more

I want you more

I want you more
