

Patterns

Faydee

I know you hear this all the time but your fine
Like bonito bonito
All I needed was a sign but you hide it but we know Yea we know
Make it easy cause its been a long day
Just a little bit will go a long way
I'm yours I'm yours

The way you playing with my mind its a crime
Its illegal illegal
I ain't tryna wait in line, madeline
I'm peptio pepito

Getting heavier the more I wait
Hot as southern californ-I-a
I'm yours I'm yours

You're so dramatic
I'm a fanatic
I pull you close
You turn to ghost
It's mathematics
You're just a habit
And I'm just an addict
You're such a weapon
I need a shot
I'm a detective
You know I watch

I see the patterns
I see the patterns
I'm not oblivious
It's kinda obvious
I see the patterns
I see the patterns

I don't need a lot of time do you mind
Girl poquito poquito
You can win a couple times than you're mine
Like casino casino

Make it easy cause its been a long day
Just a little bit will go a long way
I'm yours I'm yours
Ice cold with a lime on the side
Like mojito mojito
You'll be leaving satisfied when the night
Is finito finito

Getting heavier the more I wait
Hot as southern californ-I-a
I'm yours I'm yours

You're so dramatic
I'm a fanatic
I pull you close
You turn to ghost
It's mathematics

You're just a habit
And I'm just an addict
You're such a weapon
I need a shot
I'm a detective
You know I watch

I see the patterns
I see the patterns
I'm not oblivious
It's kinda obvious
I see the patterns
I see the patterns

Where did you go?
Where did you go now?
You're not alone
You're getting so close
Insatiable Insatiable I
I can't get enough
Oooh why

You're so dramatic
I'm a fanatic
I pull you close
You turn to ghost
It's mathematics
You're just a habit
And I'm just an addict
You're such a weapon
I need a shot
I'm a detective
You know I watch

I see the patterns
I see the patterns
I'm not oblivious
It's kinda obvious
I see the patterns
I see the patterns
