

Perfect Summer

Faydee

You are the sun like the shine across my face
When I'm weak up, if you feel my crag
I'm all over on you like a hurricane (Hurricane)
Then you scream my name
It doesn't stop there when it comes through you
You give me that, girl, not just what you do
Any excuses make me feel good (Feel good)

I guess I'm hard on you (Ah, ah, ah)
Whenever you need that you're here (Ah, ah, ah)
It feels so good for their, baby
Don't let go
'Cause you are my Summer Bridge (Oh)
You gave me what I need (Oh)
And I love it since I love it
'Cause you remind me of a...

Perfect summer
No matter where I am
Perfect summer
I get the feeling again
Perfect summer
And baby, it's what you remind me
Perfect summer
You remind me
Perfect summer
You remind me
Perfect summer
You remind me
Perfect summer of a summer

There's no other type of place I rather be
And it goes all, where I've been up on me
Kissing on you while you're searching
Things in my bed (So sexy)
Then close your eyes and lay your hair on top of me
Let me put your over there where you fall asleep
And when you'll wake up, I'll be right here
To give you what's you need (Oh)

I guess I'm hard on you (Ah, ah, ah)
Whenever you need that you're here (Ah, ah, ah)
It feels so good for their, baby
Don't let go (Don't you let go)
'Cause you are my Summer Bridge (Oh)
You gave me what I need (Oh)
And I love it since I love it
'Cause you remind me of a perfect

Perfect summer
No matter where I am
Perfect summer
I get the feeling again
Perfect summer
And baby, it's what you remind me
Perfect summer
You remind me

Perfect summer
You remind me
Perfect summer
You remind me
Perfect summer of a summer

I rise in
Take your time
Everytime I get with her
She says, "I'm not going home tonight"
Until she feels right by my side
She got me caught up
I feel her burning out
She's burning out
I'm burning out
We're burning out
And burning out

Keep the charms, babe
Keep it going
Don't stop
Keep it going
Don't stop
Can you feel that?
Don't stop
When you feel that (Eh)
Keep it going (Eh)
Keep it going (Eh)
Keep it going (Eh, eh)
(Remind me)
Keep it going (Eh)
Keep it going (Eh)
So let the beat fight
Perfect

Perfect summer
No matter where I am
Perfect summer
I get the feeling again
Perfect summer
And baby, it's what you remind me
Perfect summer
You remind me
Perfect summer
You remind me
Perfect summer
You remind me
Perfect summer of a summer
...
