I don't need your love  
I don't need the fa-a-a-ake  
Apologies to know you'll do it all again  
I don't need the hate  
Running through your vein  
Cause I don't need your love  
When you know it's fate

Ooh la la la la la  
I don't have time for you  
I'm busy making money moves  
Why you're mad at what I do

Oh na na na na na  
Don't hate on what I got  
I won't waste my time on you  
It's true

□□□□□□ □□ □-□□□ □□□□□  
I'm better without you, without you and your drama  
□□□□□□ □□ □-□□□ □□□□□  
Give all my □□□, □□□ to your karma

□□□□□□ □□ □-□□□ □□□□□  
□□□□□□ □□ □-□□□ □□□□□

I do what I want  
I notice what I like  
Do I make you mad when you see me shine  
I've already won, I'm who I wanna be  
If you still don't understand  
□□□□□□ □□ □□□□

Ooh la la la la la  
I don't have time for you  
I'm busy making money moves  
Why you're mad at what I do

Oh na na na na na  
Don't hate on what I got  
I won't waste my time on you  
It's true

□□□□□□ □□ □-□□□ □□□□□  
I'm better without you, without you and your drama
