

Stubborn

Faydee

All I ever wanted was your love
Maybe I was asking for too much
I'm so done tryna be more than enough
More than just your man

You've lost your best friend
Gave you way too many chances
Why'd you take this love for granted?
I don't even understand, understand

Why you gotta be so stubborn, stubborn?
Stubborn, stubborn
For nothing, nothing
Stubborn, stubborn
It hurts to see you hurt
But you had to let it burn
All for nothing
Tell me why are you so-

All I ever wanted was your time (your time)
I was fucking happy you were mine
You shoulda learned to swallow up your pride
More than just your man

You've lost your best friend (I was your best friend)
Gave you way too many chances (too many chances)
Why'd you take this love for granted?
I don't even understand (I don't understand)

Why you gotta be so stubborn, stubborn? (Stubborn)
Stubborn, stubborn (for nothing)
For nothing, nothing (oh-oh)
Stubborn, stubborn
It hurts to see you hurt
But you had to let it burn
All for nothing
Tell me why are you so-

For nothing
It hurts to see you hurt
But you had to let it burn
All for nothing
Tell me why are you so-

Stubborn
Stubborn
Tell me why are you so-
