

What Is Love?

Faydee

What is love, I don't know anymore.
Selfish ways that you gave cynical.
Masquerade, you took the stage.
And you played it well
Then you lie with a smile, so it's hard to tell.(what is love)

I defended, I defended you.
I gave everything I had
Wrote a song just to get over you.
To remind me of what we never had.

Tell me what is love?
Ooohhh.
If this is love, it sucks.
Ooohhhh.

I don't wanna live to love like this, no, nooo.
Tell me what is love?
If this is love I don't wanna, don' wanna love you no more.

What is loveee?
I don't care anymore.
Took my breath, stole my heart, typical.
Why'd you make me feel this way, I'll never know.
But I hide with a smile and I keep holding on.

I defended, I defended you.
I gave everything I had
Wrote a song just to get over you.
To remind me of what we never had.

Tell me what is loveee?
Ooohhh.
If this is love, it sucks.
Ooohhhh.

I don't wanna live to love like this, no, nooo.
Tell me what is loveee?
If this is love I don't wanna, don' wanna love you no more.

Where are you?
If this is love I don't wanna love you no moreee.
